This year's convention will be held at the Country Inn and Suites, Pineville, Louisiana. **NEW:** Convention will start Thursday afternoon with an evening social hour sponsored by Mann Lake. There will be a choice of box lunches on Friday and an addition of 3 break out sessions on Saturday. Another Saturday highlight will be a children's honey bee education program open to the public.

The main speakers will include researchers Tom Dadant, Pierre Lau, Kirsten Traynor, and many others. There will be topics for every level of beekeeping, and the social hour will be a perfect opportunity to network with the many other beekeepers.
